

NORMS FOR FREE PAPERS SUBMISSION

1. Free papers may be submitted for the various thematic areas within the Conference.
2. Papers should be original, i.e. not having been published or presented at any other meeting or congress.
3. Papers should be structured as follows: a) title, b) author name, c) abstract not exceeding 200 words, d) keywords, and e) paper full text, maximum 5pages.
4. Papers may be written in Spanish or English. They will be published in the original language, untranslated.
5. All papers should be sent in an attached file, by electronic mail, to [librodeactas@_paralimpicsport.org](mailto:librodeactas@paralimpicsport.org) under MS Word, with all four margins set at 2.5 cm and using a 12 points Times font, single-spaced. Acknowledgement of reception will be provided for all papers.
6. The time allowed for the presentation will be up to 10 minutes, 8 minutes for the exposition and 2 minutes for questions and discussion.
7. Papers may be signed by a maximum of six people. Name and first name should be provided. For the paper to be accepted, at least one of its author should have registered at the Conference.
8. The Scientific Committee will value and accept the paper, or will return it to the author for any required modification. **The Committee will decide that the paper will be presented as poster**
9. The deadline for free papers submission will be October 30th. Should the paper be accepted, the author will be informed no later than November 5th. Those papers returned with comments should be submitted again before November 10th. Final acceptance of these will be announced before November 15th.
10. Any paper not adhering to the above-mentioned norms will be disregarded by the Scientific Committee.
